

# Teaching Evaluations at Ashoka University

Shubhajit Dey

## Timeline : Academic year 2024-2025

The TF Evaluation Survey at Ashoka University back then, was structured to provide the average of scores assigned to certain questions chosen by the Academic Affairs Office to reflect the TF's teaching. The questions used to evaluate TFs were :

1. The TF was knowledgeable about the course subject matter
2. The TF created student interest and involvement in the discussion sessions
3. The TF conducted discussion sessions in an organized and fair manner
4. The TF ensured that the discussion sessions complemented the lectures well
5. The TF answered student questions professionally and concisely

The number below *Sec I* and *Sec II* is the Median Rating response in the corresponding section (out of 5.0) to the above indicated avg. score. The number below *Overall* is the Weighted Average (out of 5.0) of all the feedbacks recieved.
